

Math 11 Foundations

Course Outline

Teacher: Mr. Sutcliffe

Email: joel_sutcliffe@sd33.bc.ca

Website: foundationsmath11.weebly.com

Room: Portable #1

Required Supplies: the TI-83 graphing calculator is **required** for this course

Course Content:

This course is intended for students who plan to take a College or University program that does not require Calculus (i.e. Arts, Humanities)

Unit 6 – Systems of Linear Inequalities

Unit 5 – Statistical Reasoning

Unit 8 – Proportional Reasoning

Unit 9 - Finances

Unit 3/4 – Trigonometry

Unit 1 – Inductive and Deductive Reasoning

Unit 7 – Quadratic Functions and Equations

Unit 2 – Properties of Angles and Triangles

Expectations:

All students are expected to attend class regularly and on time and during class...

- 1) Be respectful of each other and the teacher.
- 2) Be focused on *learning* during class time.

Assignments

It is essential for your understanding of mathematics, and your grade, that you complete your assignments regularly, and on time. It is your responsibility to check your own answers and to see me for any clarification or explanations as required. Assignments are not often graded, but may be checked for completion marks occasionally.

Marks Breakdown:

1. Classwork/Homework/Quizzes	10%	Term #1	35%
2. Mandatory Quizzes	20%	Term #2	35%
3. Unit Tests/Project	70%	School Final Exam	30%

If you have any questions during the semester, please send me an email at joel_sutcliffe@sd33.bc.ca and I will reply promptly. Thank you!
